

SIKESTON COUNTRY CLUB

SPRING 2011

SIKESTON, MO.

House Report

Ned Matthews

Signs of Spring are finally making their way through the cold dreary Winter weather that has been hanging around for all too long. Along with the arrival of warmer weather, the golfers are once again showing up in force and enjoying a great lunch and drink at the end of their round. It's now the time of the year that the club begins to see an increase in the number of members who come out to enjoy our fine dining and all that the club has to offer. I, along with our entire staff, invite everyone to come out and enjoy the benefits of being a member of the Club.

Beginning the first of the year, our menu was updated to offer the items that our members most desire. Also, our daily soup and salad bar has become very popular with the noon lunch crowd along with our daily lunch specials. Our specials, along with upcoming special events, are sent to all members daily who are on our e-mail mailing list. If you would like to receive this information and are not currently on our mailing list, please give Angel a call at the club and give her your e-mail address.

The Board has been discussing a number of special events and exciting social activities that will be announced in the near future. We look forward to seeing everyone enjoying themselves back at SCC once again!

Golf Course Report

Darrell Best

Welcome everyone to another season of golf with the Sikeston Country Club. I am looking forward to this spring and hope everyone is ready for a great year of golf. The vandalism damage that occurred last year has almost completely healed and we expect that it will be nonexistent as we get through spring. I would like to thank all who have supported the country club and remember those we have lost this past year, as they will be missed.

Men's Steak Night

March 14 / April 11 / May 9
Clubhouse Opens at 4:00 p.m.

Chairman's Report

Eugene Stroud

I would like to start out by saying "Thank You" to Chris Alberts, Daniel Beck and Patrick Douglas for their years of support as members of the board and service they provided for the betterment of the club. I would also like to welcome new board members, Mark Ahlvin, Bart Ziegenhorn and Matt Matthews. The board is working together to boost our membership and have more activities to gain membership involvement. We are going to need the help of every member to make this goal a reality. We need your support as well as suggestions. Zac Black is in charge of membership and is going to be contacting some of you to serve on a membership committee. If you are interested in serving on this or any other committee, please contact Angel, our Club Secretary.

The board is also in the process of updating our sponsor signs at each of the Tees and replacing some of the hole layouts from the past ice storms. If you sponsored a hole in the past you will be contacted in the near future or if you are interested in being a sponsor please call the Club Secretary for information.

We are currently in the process of updating our website. www.sikestoncc.com We would like to be able to provide information and results of Men's Golf, Ladies Golf and Senior Golf on the website, as well Tournament Results. We are also going to provide Tournament Flyers, so you print them directly from our website and turn them in to the Pro Shop. We are also now on facebook. Please search for Sikeston Country Club and press like. You will then be able to get information about Daily/Weekly Specials, Tournament Information, and Special Events right there on your News Feed.

***Let's work together to make this
a great year for the Club!***

LGA News **Linda Underwood**

After the long cold winter I'm sure everyone is looking forward to spring and GOLF. The LGA will kick off the golf season with a dinner meeting at 6 p.m. on Tuesday, March 29. We encourage all members to attend.

Ladies, if not a member but are interested in joining, please come learn about our organization. If attending, call or e-mail me or sign up at the Club. Organized play will begin Tuesday, April 5. Please call the club by 8:30 a.m. if playing that day.

Men's Golf Association **Mark Ahlvin**

It is a sunny and warm day outside. I for one am ready to play some golf on a regular basis! How about you? There is nothing more regular than every Thursday evening after work! Come to our organizational meeting April 7. We will have something to eat and we will begin planning our year's events. See you there!

Senior Men's Golf **Jack Jackovic**

Hello Senior Men! It's almost time for golf! We will be having a kick-off lunch on April 13 for our 2011 season so come on out and, if possible, bring a friend. Becky promises to provide a nice lunch of hamburgers, cheeseburgers, hot dogs and brats. Hope to have another banner year like last year and we look forward to seeing you all!

Secretary's Note

Hello Members! I am currently working with Becky to coordinate a fundraiser auction and dinner, with all proceeds to go towards clubhouse repairs and improvements. The board is also in the process of planning a fundraiser golf tournament to benefit the pool, which is in dire need of some TLC! We are looking at hosting both events around the end of March or early April, the details of which will be provided ASAP.

We are seeking donations for our auction and would very much appreciate our members' participation and generosity. If there is anything you would like to contribute, please contact me at 472-0656, or Becky at 472-0032, or come out to the club and we can discuss things after a couple of trips to our soup and salad bar.

Remember, this is YOUR club and it depends on you, the member, to help make it THE place to be, whether you're playing golf or catching up with old friends over dinner and drinks.

We look forward to a great year and hope to see you all enjoying your privileges as members of the Sikeston Country Club!

Pro Shop **Kevin Collins**

Well, the golf season is almost upon us. Before long, all this cold, windy weather will be behind us and the hot, humid summer will be here.

Please be aware of the 2011 Golf Calendar in this issue and make note of the events in which you would like to play. We do have a few changes to either dates or events. Contact me at the shop if you have any questions about events.

Remember that the early spring is the best time to change those grips and spikes!

Jaycee President/Pool Chairman **Bart Ziegenhorn**

I just wanted to say how excited I am to be a member of the Sikeston Country Club Board of Directors. After only a few meetings, I can tell the club is in good hands with the present board members. The Sikeston Country Club has always been a wonderful luxury to have in our small town. Growing up in Sikeston I can attest to many hours of tennis, golf, and pool activities to help stay active and enjoy summers.

Now, as a young business man in Sikeston, I see the need of our club for this community. It's a place to come relax, enjoy a game of golf, and dinner with friends or family. This club is a wonderful social network, to stay connected with friends and meet new ones. In today's times it is all about staying connected either by email or cell phones. I feel our club brings back the traditional social networking with real people, talking and enjoying each other's company. This club is a place where people can come together, from all different jobs, to enjoy family fun and golf with friends.

As Jaycee President, I strive to gain knowledge on how the Jaycees can help make our community a better place to live. I feel I can bring this knowledge to help with our country club, with new ideas for membership and events to help make our club grow.

Thank you for allowing me to serve on your board of directors.

Bart Ziegenhorn
Sikeston Jaycee President

So come and enjoy a great meal, great friends, and
what is sure to be a great time.

*Drawing is at 7:00 PM. The pot grows by \$100 each week.
Every member receives one entry into the drawing automatically.
If a member brings a guest then that member will receive one extra entry.
Winner must be present to claim prize and must be eating a meal or
have eaten a meal during the time frame between 5:00 pm and 8:00 pm.

Golf Committee Chairman

Mike Pobst

Another golf season is upon us. Darrell is working hard to get things up and ready to go even though some folks haven't stopped playing since 2010. The golf committee will be meeting shortly to discuss the 2011 golfing season and some of the things which need to be addressed for the upcoming year. Kevin has the activity/tournament schedule for this year completed and it seems to be filled with a lot of opportunity to enjoy the course. With Men's Golf, Senior Golf and Ladies Golf all kicking off in the near future, be sure to check with Kevin for some early season lessons to get your game headed in the right direction.

Also, in the early spring, we will be having a "swimming pool" outing, with the proceeds going toward its renovation and improvements. Details will be announced later. Twilight golf will become active for the 2011 season again so be sure to check with Kevin and postings for that information. Should there be any recommendations or concerns related to the course feel free to give me a call. Thanks and look forward to seeing everyone this golfing season.
